Page Two
C-125-B
October 16, 2000

The parties filed a stipulation on August 30, 2000 in which they agree to forms regarding service. Those forms are approved by the Court.

The parties have worked together to a great extent and have advised the USA and the tribe what information they do have concerning the various categories. The government and tribe have 60 days in which to actually obtain from each of the parties to this litigation exactly what they have so that a determination may be made as to what categories of peoples are missing who need to be identified and served.

IT IS ORDERED that Item 3(e) on page 5 of the Case Management Order (filed on April 18, 2000, Doc. #108) is amended to read, "All users of groundwater for irrigation in California in the Walker River Basin."

IT IS FURTHER ORDERED that a **Further Status Conference** is scheduled on **Thursday, December 21, 2000 at 1:30 p.m.** A status report is to be submitted by the government a few days prior to the hearing (to be served on all counsel and with a courtesy copy to chambers).

Counsel wishing to participate in the conference by phone shall contact the courtroom deputy, Rosemary Damron, at (775) 686-5835, at least two days prior to the hearing to advise her of the phone numbers where they may be reached for the conference.

2:00 p.m. Court adjourns.
